Register early as space is limited! Registration details at www.bostonshoulderinstitute.com
Early registration deadline is **October 17, 2014**

COURSE OVERVIEW

This course will provide an update on the current evidence based practice for the surgical and rehabilitation management of the hip, elbow, and shoulder. Participants will watch live surgery, which is a unique opportunity that will allow one to better understand the surgical techniques for hip surgery. In addition, indications for hip and shoulder procedures, physical exam, imaging, rehabilitation, and outcomes assessment will be presented.
